

## HOPE FOR THE HOPELESS

### INTRO:

**Dm – C – Bb – F – Dm – C – Bb – Dm**

### I

**Dm                    C                    Bb                    F**  
I'VE SEEN SO MANY PEOPLE PASSED BEFORE MY EYES

**Dm                    C                    Bb**  
LIKE WEARY FIGURES IN A FASHION PLAY

**Dm                    C                    Bb                    F**  
I'VE WATCHED THEM TRY TO REACH AND TOUCH THE STARS ABOVE

**Dm                    C                    Bb                    Dm**  
BUT, OH THE STARS ARE BURNING FAR AWAY

### II

**C                    Bb                    F**  
I'VE SEEN SO MANY STUMBLE WHEN THE LIGHT GROWS DIM

**Dm                    C                    Bb**  
CRUSHED BEFORE THE MANTLE OF THE NIGHT

**Dm                    C                    Bb                    F**  
AND DO WE HEAR THEIR CRY ABOVE OUR POUNDING HEARTS

**Dm                    C                    Bb**  
OR LET THEM DISAPPEAR FROM SIGHT

### CHORUS:

**Dm                    Bb                    F                    C**  
HOPE FOR THE HOPELESS, HOPE FOR THEM ALL

**Dm                    Bb                    F                    C**  
HOPE FOR THE LONELY, STRANGERS WHO CALL

**Dm                    Bb                    F                    C**  
REST FOR THE RESTLESS, REST FOR THEIR LIVES

**Bb                    C                    Dm**  
JESUS, THE HOPE FOR US ALL

### III

**Dm**                    **C**                    **Bb**                    **F**  
AND WHERE ARE WE WHEN ALL THE PRISONERS ACHE TO FIND

**Dm**                    **C**                    **Bb**  
FREEDOM FROM THEIR LONG DEFEATED SOUL

**Dm**                    **C**                    **Bb**                    **F**  
AND WILL WE BUILD A FIRE OF HOPE DEEP IN THEIR EYES

**Dm**                    **C**                    **Bb**  
BEYOND THEIR LONG FORGOTTEN GOAL

**{REPEAT CHORUS}**

### BRIDGE:

**G**                    **Bb**  
WHERE WOULD WE BE WITHOUT YOUR LOVE

**F**  
WHAT WOULD WE SING WITHOUT YOUR SONG

**C**  
WHERE WOULD WE GO WITHOUT YOUR LIGHT TO LIGHT OUR WAYS

**G**                    **Bb**  
WHAT WOULD WE FEEL WITHOUT YOUR HEART

**F**  
WHAT WOULD WE SEE WITHOUT YOUR EYES

**C**  
OH JESUS, WE DEPEND ON YOU

**{REPEAT CHORUS >>> END}**
